WELCOME TO TATA

Dear Guest,

We are delighted to have you in our bar tonight. Welcome to TATA - a classic yet playful cocktail bar residing in Hotel Sanders in the heart of Copenhagen.

Dive into the world of classical performance arts inspired by founder and owner of the hotel, Alexander Kølpin; his story and career as the world's best ballerino. We lean on Alexander's image as we strive to make every service a performance of impeccable hospitality and entertainment.

Creatively, we too take inspiration from the classical performance arts, as our seasonal serves are inspired by Operas, Ballets and Plays from all over the world.

We would like to introduce our latest menu, 'Assemblé'. The name, Assemblé, derives from the arts of ballet, and doubles with the English meaning of the word: to come together. Both for you as guests, as well as for us as a team.

Let's make tonight a memory.

Cheers and welcome.
The TATA Team
