WELCOME TO TATA

Dear Guest,

We are delighted to have you in our bar tonight. Welcome to TATA - a classic yet playful cocktail bar residing in Hotel Sanders in the heart of Copenhagen.

Dive into the world of storytelling inspired by our hotel founder, Alexander Kølpin, and his career as the world's best ballerino. We lean on Alexander's image as we strive to make every service a performance of impeccable hospitality and entertainment.

Creatively, we too take inspiration from the classical arts of performative storytelling, as our seasonal serves are inspired by Ballets, Operas and Plays from all over the world.

We would like to introduce our latest menu, 'Plié'. The name, Plié, derives from the arts of ballet, as a classical part of every performance.

Come dance with us.

Cheers and welcome.
The TATA Team
